

TUESDAY 23 AUGUST

**5pm Welcome Reception
Wakatipu Grill, Hilton**

Collect your registration materials and enjoy a drink by the lake as you meet, greet and reconnect with industry peers. Followed by a relaxed dinner at the Wakatipu Grill.

A WARM WELCOME

After the long periods of isolation and travel restrictions of the past two years, we're excited to welcome you to the inaugural SSAA Ski Summit.

It will be great to be able to meet in person once more, and we hope this summit will provide our members with a much-needed opportunity to engage with industry peers.

In answer to a call for more social-style events, we have purposely designed the Ski Summit to be more intimate and informal than our large annual convention, so that owners, leaders and executives are able to reconnect and recharge while enjoying the stunning scenery and exhilarating winter activities on offer.

The program is packed with inspiring and informative presentations, panels and discussions designed to help you reach peak performance in your self storage business.

Above all, it's an opportunity to connect and celebrate the continued success of our industry.

Enjoy every minute!

A NOTE ON EVENTS DURING A PANDEMIC

If you've travelled recently you'll know that not every industry has returned to pre-pandemic status. The events and hospitality industries continue to be heavily impacted by COVID and Queenstown is experiencing significant staffing challenges. Venue availability, staff shortages and supply chain challenges will impact our event, but it is our preference to come together even if the experiences may not be what we once knew. We appreciate your patience and understanding. If you are unwell we kindly ask you stay home or self-isolate as appropriate.

THE VENUE

The Hilton Resort and Spa is located on the shores of the Frankton Arm of Lake Wakatipu, just a stone's throw from Queenstown. Transport is via road or water for those who wish to go into town.
