# CAPITAL FLOWS

## The self storage opportunity

LUNCH, KEYNOTE & INDUSTRY PANEL  
12.30PM | WEDNESDAY 12 NOVEMBER  
HYATT REGENCY SYDNEY

Self storage has emerged as one of Australia's most dynamic alternative asset classes, fuelled by investor momentum, a growing development pipeline and strong institutional interest.

Join us for a special Investment Lunch during Self Storage Week

This industry forum brings together leading voices in capital markets, demographics and self storage to examine the fundamentals driving growth across Australasia.

Hear from renowned demographer Simon Kuestenmacher on the trends underpinning long-term demand for self storage, followed by a panel of industry experts who will discuss how global capital, new investment and supply are shaping the sector's future.

Don't miss this rare opportunity to gain insider insights into the sector securing its place in global investment portfolios.
